

TERMS OF USE

The contents and the health and medical information provided in this website are edited by the Long Island IVF partner physicians.

The website of Long Island IVF is intended to provide authoritative information for those interested in infertility and reproductive endocrinology. The information found on the website of Long Island IVF is designed to support, not to replace, the relationship between the patient and his/her physician.

The privacy and confidentiality policy of Long Island IVF regarding email addresses, personal and medical information conforms to the requirements of HIPAA. (www.hhs.gov/ocr/hipaa).

Long Island IVF also respects the legal requirements, including those concerning medical and personal information privacy, that apply in the United States.

The benefits and outcomes claimed in this website are based on professional training and personal, clinical experience of the physicians, embryologists and other clinical and laboratory personnel.

Long Island IVF's website is a commercial site funded entirely by Long Island IVF. No advertising is accepted, displayed or hosted. This website is not part of a link/banner exchange.
